

Appendix 5: Local Green Spaces

Click on the following link and it will open Google Earth in your browser, displaying the local green spaces and facilities of Clapham cum Newby Parish. The facilities are shown with a blue marker and the local green spaces with a yellow boundary: [Local Green Spaces & Facilities](#)

These spaces have been scored as demonstrably special to the community. Total scores can be seen in Table 1 and the criteria for scores can be seen in Table 2

Table 1 - Local Green Spaces Total Score

Land Ref	Local Green Space	Close Proximity to Community	Demonstrably Special	Local in Character	Total Score
1	The Green	Green swathe alongside Clapham Beck	Maintained by local residents and Ingleborough Estate	Designated village green (per Magic Maps) 1968. Formerly Crow Trees	7
2	School Playing Field	Adjacent to, and previously leased by the former school	A green setting used by the school	Used for sports events	4
3	Grassy centre of YDNP Car Park	Situated off Church Avenue	Provides open green aspect to tarmaced car park	Used during Street Fair to display vintage cars. Formerly kitchen garden	7
4	Wooded area around Ingleborough Hall	From bottom of drive, to Thwaite Lane, then to edge of woodland to the East	Mostly wooded	Includes Reginald Farrer's rock garden	10
5	Tennis court and grassed areas to the North and South	Adjacent to National Park Car Park, actually hard surface	An important recreational amenity used by the community for health and wellbeing	Modelled on Rothschild tennis court at Gunnersbury (by Farrer) 1935	5
6	Playpark	Between Church Avenue and Clapham Beck	An important recreational area, well used by visitors and residents	Former burial ground for horses	8
7	Grounds to St James's Church	Situated in the extensive grounds of the parish church. Forms an important setting to this listed building	Grade II listed building, tower dating back to C14/ early C15	Burial ground. Augmented following demolition of houses c1832	11

Land Ref	Local Green Space	Close Proximity to Community	Demonstrably Special	Local in Character	Total Score
8	Ingleborough Estate Nature Trail. Established 1970	Links the village to Ingleborough Cave through woodland	Walk which is very popular with both residents and visitors	Many of the plants & trees were introduced by Reginald Farrer (1880-1920) from the Far East.	12
9	Both sides of Clapham Beck from dam (1828) to A65	Runs all the way down the centre of Clapham village	Used by art groups, stream study groups, walkers, dog walkers, residents, children, photographers	Largely natural streamway with some reinforcement to banks	12
10	Waterfall area. Built 1837	Between the church and the entrance to the Nature Trail	Popular photo spot for visitors and swimming spot for children in summer	Man-made by the Farrer family. Part of the water supply to the sawmill & formerly drinking water for village	12
11	Junction between Back Lane & Eggshell Lane	Tended green area south west of lane junction	Attractive open space at north end of the village	Part of Joseph Rowntree shared ownership housing scheme 1983	6
12	Allotments	Along Old Road to Ingleton	A well-used and valued amenity	Recently re-sited by the Ingleborough Estate for the benefit of local residents	8
13	Verge towards A65 (travellers' site)	Along western access to village from A65	Popular dog-walking area	Part of the Old Road before Clapham bypass was built in 1973	5
14	Newby Village Green	Large green area in centre of Newby, crossed by 3 unmade lanes and a footpath	A popular area where children can play and people can exercise or socialise	Designated village green (per Magic Maps) 1968	11
15	Grounds to St Matthew's Church, Keasden	Forms an important setting to the church	A peaceful and attractive setting for the 19th century church	Burial ground. Donated by Farrers 1873	11

Table 2: Criteria Used For Scoring Local Green Spaces

Criteria: scored on a scale of 0-2 where 2 is very special.

The local green space is demonstrably special to the community and holding special significance because of its:

Land Ref	Proximity to Community	Beauty	Historical Significance	Recreational Value	Wildlife	Tranquility	Total Score
1	2	2	1	0	1	1	7
2	2	0	0	2	0	0	4
3	2	1	1	2	0	1	7
4	2	2	2	0	2	2	10
5	2	0	1	2	0	0	5
6	2	1	2	2	1	0	8
7	2	2	2	2	1	2	11
8	2	2	2	2	2	2	12
9	2	2	2	2	2	2	12
10	2	2	2	2	2	2	12
11	2	1	0	1	1	1	6
12	2	1	0	2	1	2	8
13	2	0	0	2	1	0	5
14	2	2	2	2	1	2	11
15	2	2	2	2	1	2	11
	30	20	19	25	16	19
